

Bradford

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

Related subject: silsden

It is not before time that Silsden was released from the clutches of BMDC and allowed to develop with neighbouring towns and villages, Ilkley, Burley in Wharfedale, Steeton etc.

These have been used and abused by Bradford as a constant cash cow for their inner city vanity projects, whilst our infrastructure is abysmal. We are still awaiting the footbridge, Railway car park and bypass, whilst Bradford are concreting over every bit of land we have.

Only Bradford could award us new street lighting, by removing the old before switching on the new, leaving us in the dark for two weeks now. We need and deserve greater autonomy as to where our monies are spent and if our residents needs are being met.
