I fully support our M. P Robbie Moore and the M. P for Shipley. Phillip Davies in their efforts to release us from the money grubbing hands of Bradford Council, and allow us to form our own area.

Bradford are morally and literally bankrupt, with decisions that are frankly intolerable for the residents living outside their vanity schemes, yet funding them from the taxes raised from these areas.

We should not have to be tarnished with their ineptitude and incompetence.

We deserve better.
