**Related subject:** Bingley/Shipley

I am writing to support the new local authority covering the two parliamentary constituencies, whose MPs are Mr. Philip Davies and Mr. Robbie Moore.

I am also writing to say that I strongly support the idea that we in this area would like to be out of the Bradford Metropolitan Council area. The council is too large to offer local democracy, and seems to use Bingley and surrounding areas as a means of raising money, without giving anything back to the locality.
