Dear Boundary Commission,

Please note my objection and upset to the disbandment proposal of the Leadgate and Medomsley Division. I am concerned that by splitting the division that we will be much further away from the villages you are proposing we become part of and will not receive the same local Cllr support we are used to and require. It has left us feeling undervalued as a village by the Boundary Commission and the County Council. I hope you re consider your view.

Kind regards
