Comment text:

I have been a resident of the Delves Lane area in Consett for 11 years and I do not support the Boundary Commission's proposals for a new 3 councillor Consett South ward.

I strongly urge the Boundary Commission to sub-divide the area into a 2-member Delves Lane and 1-member Consett South Ward comprising Healyfield parish, Moorside, and The Grove which would better represent the local issues faced in those distinct communities.

Castleside, Moorside, and The Grove are a distinct community that is separate from Delves Lane. There are no direct public transport links between the areas and there are no community assets shared by the existing wards.

If you would like me to provide any further information, please don't hesitate to get in touch.

Best regards,
