Hello,

Having just recently moved to Maiden Law in County Durham from London back in November 2022 our sole reason for locating to Maiden Law was its closeness with Lanchester, Lanchester and Maiden Law are closely intertwined and have been for a very long time. We do not wish to be a part of Consett, we wish to remain part of Lanchester. Lanchester and Maiden Law has close ties and are real neighbourhoods who work together, we are a conservation supporting set of villages, with Consett being predominately Labour supporting, please leave our village alone!!!!
