The new Lanchester boundary has a proposed zig zagging blue line approaching the bottom edge of Howden Bank underneath where I live, but it then cuts out our new estate where we live in Maiden View. We bought our house based on it being branded as Lanchester by Gentoo, and wish for it be fully within the Lanchester boundary so we feel part of this community being our nearest village centre point. Otherwise we have no nearby community connection, which I feel is important.
