Disagree!

Parts of Peterlee are now in Horden, why? Peterlee Town Centre is now in Horden? Hmm. They're two separate places. I hope this hasn't got anything to do with Horden having a train station because that's ridiculous and I'd still prefer to drive to Durham than park my car in Horden!!!

I'm pretty sure Peterlee Town shopping centre should be in Peterlee and not classed as being in the village of Horden.

Actual Peterlee ward is now tiny? Why? Peterlee is a town and should be represented accordingly based on its town status.

Easington and Shotton together - why? I don't think either villages have any association with one another whatsoever.

This seems to have been drawn up by people who have no idea how local communities, villages and towns relate to each other.
