Related subject: Greencroft becoming part of Consett North

The proposal to put Greencroft parish with Consett North seems absurd. I live at Maiden View and I believe that the communities of Maiden View as well as Maiden Law would class and associate themselves as Lanchester, NOT Consett North. Living only a 10 minute walk from Lanchester village centre surely should mean that the area of Maiden View/Maiden Law should remain as part of the Lanchester parish division. Both the locations of Maiden View/Maiden Law are far closer to Lanchester than say Burnhope or Hurbuck Cottages which would remain within the proposed Lanchester boundaries. We moved to this specific location to be a part of Lanchester for various reasons including schools and are very concerned to hear that boundary proposals are changing so drastically when we live right on the doorstep of Lanchester and St Bedes school.
