Dear Boundary Commission,

I am writing on behalf of the North Durham CLP who discussed the draft warding pattern at our last meeting.

We would like to support the Durham County Council Labour Group Amendment for Chester-le-Street as we feel that the entirety of the current Chester-le-Street East Ward should be part of the proposed Chester-le-Street North Ward.

We feel that this is the best reflection of the statutory criteria as all of the community links for Chester-le-Street East link into the Town Centre itself.

Yours sincerely

Christine Dobson
Secretary – North Durham CLP
