Whilst broadly supportive of the proposals endorsed by Derbyshire County Council at the Full Council Meeting held on 12th July, I would like to request the transfer of COT4 polling district from the Ilkeston West division within Erewash to the Ilkeston East division. This polling district represents less than 20 electors and exists due to an anomaly whereby the County Division Boundary was coterminous with the old Erewash Borough Council Ward Boundary. Following rewording that took place in Erewash in 2015, these electors moved from the old Abbotsford Ward (now Shipley View Ward) to the new Cotmanhay Ward. The transfer of this polling district would ensure that the entirety of Cotmanhay Ward is represented by one Derbyshire County Councillor without altering the percentage figures of neighbouring divisions.
