Good Afternoon

I was away on holiday and accidentally missed the consultation on Essex County Council's boundary by 24 hours. I hope you can accept my submission favour of Essex County Council's submission, I would specifically like to support the submission for Epping and Theydon Bois my own County Council Division. This is the result of a lot of hard work and careful consideration of community ties. To meet the numbers required for representation my division would shift West, encompassing much of the forest including High Beech and Upshire, this makes a lot of sense. Many in Upshire feel a close connection to Epping and use its facilities. While the forest land links Epping to Upshire and Highbeech. The other change would be the move of Coopersale and Fiddlers Hamlet to Ongar Rural Division which have close community ties, the school in Coopersale is called Coopersale and Theydon Garnon School with children from Theydon Garnon which already sits in Ongar Rural.

Therefore, I am strongly in support of ECC's corporate submission.

Regards
Cllr Holly Whitbread
County Councillor for Epping and Theydon Bois
