**Name:** Ernest Mallett

**Email:** [REDACTED]

**Postcode:** [REDACTED]

**Organisation Name:** Moseley Residents Association (Representative of a local organisation)

## Comment text:

Dear Review Officer for Surrey,

Please receive a copy of my comments made in respect of Surrey County Councils sub-committee's recommendations of the Commissions Draft proposals for Surrey.

I am a leading member of Molesey Residents Association and have been a member since the Residents Association was formed in 1965. I have been a resident of East Molesey since 1965. I have served 30 years as a councillor on a combination of the original Esher Urban District Council and the later Elmbridge Council which took executive control of the Borough in 1974. I have been a member of Surrey County Council for 18 years representing West Molesey for the Molesey Residents Association. (MRA).

The MRA is a amenity and community organization for East & West Molesey and normally has a paid up membership of some 1800 households. We typically hold 5 of the 6 East & West Molesey Borough seats on Elmbridge Council and have held both East & Wet Molesey County seats for various periods. Currently we hold the 3 West Molesey Borough seats and our councillor held seat in East Molesey has just been resigned due to ill health of the incumbent. We currently hold the West Molesey County seat.

The remit of the MRA is very strongly held and operated on behalf of all of Molesey, East and West.

The form of my submission which follows, initially starts with comments in relation to Surrey County's proposed draft submission to yourselves, in which I refer to 'Paras 3.1.2. to 3.1.4., which are paragraphs in the County's draft proposals, not yet sent to you. On behalf of the MRA, I consider that the County's draft proposals are a distortion of the real position.

The comments and observations following the references to Paras 3.1. are therefore the MRA's views concerning the current consultation which are respectfully placed before you. These views also contain the facts which are considered to support the representations which I make on

behalf of the MRA. Therefore, I ask you to consider the document as submitted below which is in the form of an email to Surrey County Council.

In essence, the Molesey Residents Association completely and absolutely support and agree with the Commission's Draft proposals for the present East Molesey & Esher Division of Surrey County Council.
