

Gateshead

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

How about reducing the number of people I.e. Councillors, many of whom provide little or no input to the community and pick up their salaries for attending meetings which have no outcomes. Then we may be able to reduce our rates and provide better actual services. I would like to know the average cost of each Councillor in the past financial year including expenses and committee meetings they have attended. This can be covered by the Freedom of Information Act.
