

Gateshead

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

Why do we need THREE councilors for each ward. ^^ Councilors for a population the size of Gateshead is ridiculous and far above the average for this country. At least one third of of concil positions could easily be scrapped, saving money, which the present ruling council says it has not got.
