I live in Darlaston South Ward of Walsall Borough, pay my Council Tax to Walsall Borough Council and would prefer to vote for an MP for the Borough of Walsall. However, the BC has chosen to move the Darlaston South Ward to a Wolverhampton Constituency for the purpose of electing an MP. Wolverhampton and Walsall very different boroughs and I feel that a Wolverhampton MP will not understand the problems of Walsall constituents. It now appears that you wish to change the Wards within Walsall Borough. Many of us know and trust our Ward Councillors and they know their residents. I request that Darlaston South Ward remains within the Walsall Borough for the purpose of electing Councillors, I do not wish any changes to be made.
