

Surrey

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

I disagree with the division.

It means finishing with the name and fame of a historically prestigious area, being an artificial division arbitrarily decided.

It also means an immediate devaluaron of all the properties belonging to the affected area, because Oxshott has a very good and strong reputation that would disappear with the dilution of the name.
