I object to the Recommendation on the ground that it does not satisfy the second of the two considerations that it states it is seeking to fulfill.

At the moment, Oxshott is a village that is recognised with an Identity in planning. The proposed carving up in two of Oxshott to go into two separate wards is wrong. It also drops the identity of Oxshott.

Oxshott has a village centre, two pubs, shops and a restaurant, petrol station, sports club, station, as well as a large amount of residential. It deserves to be considered - both sides of the A244 - as one single village.

I would therefore ask that the ward boundaries are not changed.
