Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

I strongly park this proposal. It's a classic decision by those who do not know the real world situation but look at data only. The Manor of Weston Green was mentioned in the Domesday Book as part of Thames Ditton and our communities are linked that most don't really distinguish between the two places. We are one. Please reconsider this proposal.
