Related subject: Oxshott

I object to and reject the current proposed division for Oxshott which would be arbitrarily divided into two separate Wards. The reasons I object follow:-

Oxshott is a natural and cohesive community with it's own special character. It has its own railway station, Medical Centre, Church, Social Club and sports Club and is surrounded by Green Belt.

The division itself is arbitrary and lacks common sense. It would divide our community using the A244 meaning the shops in the High Street would be in two different wards and thus represented by different councillors.

There is no justification for the division of our Community and doing so may create negative financial outcomes for our community because funding could not be targeted on the whole village as we would be divided and added onto two larger villages.

It is wrong that the name Oxshott should be obliterated.
