**Related subject:** The Dittons

Long Ditton and Thames Ditton are communities that have long been regarded as part of a wider area known as the Dittons. There is no clear / boundary /division of the two areas . There are many community facilities that serve both areas without distinction e'g Surrey Library is The Dittons. Churches and associate facilities are used by residents in both areas as are schools. These two areas form a cohesive whole and have done for many years . I do not agree that Long Ditton should be aligned with Hinchley Wood
