I disagree with the proposed changes on several grounds.

1. Stokes Field in Long Ditton is used by many TD residents.
2. I live in Sugden Road which the Royal Mail identifies as being in Thames Ditton
3. We share a scout group - The Dittons
4. I regularly use the Farmers Market - Thames Ditton, the Library - Thames Ditton, and the Post Office - Thames Ditton.
5. Long Ditton and Thames Ditton merge seamlessly into one another without any natural boundaries.
6. Our respective RAs regularly collaborate on issues and are united against this change.
7. In my view becoming part of Hinchley Wood would mitigate against Long Dittons 'village' atmosphere -a very retrograde step.
