Comment text:

I do not agree with splitting Long Ditton from Thames Ditton. Historically these settlements have more in common in character than Long Ditton and Hinchley Wood, the latter being of more recent origin. Both the Dittons are bordered by the Thames and we have cultural activities such as the Dittons Fair in common as well as the library. It would seem strange to cut off a number of roads south of the Portsmouth Road and put them in another ward. Also why split the two Moleseys?
