Comment text:

FAO the relevant officer, we object to the boundary change proposal to separate Thames Ditton (where my wife [REDACTED] [REDACTED]) from Long Ditton and Hinchley Wood and add TD to East Molesey. We have far more links to people and organisations (businesses & non-profit) in LD and HW than EM. And we are sure that is true for most TD people. The current arrangement should be retained, please.

Best regards,
[REDACTED]
