Organisation Name: (Member of the public)

Comment text:

As a long term resident of Thames Ditton I would like to object to the proposal to change the boundaries between Thames Ditton, Long Ditton and Weston Green.

The new proposed boundaries do not make sense from a logistical, historical and practical point of view.

They do not meet any of the criteria for the changes Electoral equality, Community Identity and interests Effective and clear local government

I would like my objection noted on this matter,

Yours Faithfully
