**Related subject:** Oxshott

I object to LGBCE proposal for OXSHOTT because it has a community of over 5,000 people. Plus, Oxshott has its own High Street, a Medical Centre, a Railway Station, Private and Public Schools and it is surrounded by Green Belt. Dividing the community by drawing a line down a very busy main road, the A244, is absurd. The suggested obliteration of the Oxshott name is particularly disagreeable due to its long standing history. I feel the current very strong community bond and spirit of Oxshott Village would be broken by the LGBCE proposal.
