Hi there,

As a resident of Thames Ditton, I am writing to let you know that I object to the proposals to divide our community. Thames Ditton, Western Green and Long Ditton have a long standing history together and it would be heartbreaking to see this end. I very much feel a part of the current division and I am at a loss to understand why these proposals have been made - even Surrey County Council do not see the benefit. I am asking that the current divisions remain the same and Thames Ditton are not carved out and made to join up with East Molesey.

Kind regards,
