Comment text:

Related subject: Oxshott

Further to draft proposals for new divisions in Surrey, we object strenuously to splitting Oxshott down the A244. We have lived in Oxshott for over 40 years and the people of Oxshott identify themselves as a unified Village. We have several local Village associations that prove this point. We celebrate national events as a Village, and come together as a Village. The people of Oxshott Village are distinct from Stoke, Cobham, Claygate, Esher and Leatherhead. Splitting Oxshott down the A244 would destroy a thousand year old Village.
