Related subject: Orchard Ave Elmbridge boundary change

I do not agree with the boundary electoral changes proposed
I would like to stay in the Dutton's

The changes will incur unnecessary admin costs and are unnecessary
My postal address is Thames ditton and I feel we live in the Dutton's not Hinchley wood/Claygate
When we first moved here we were part of HW and then the boundaries changed
Why can't you leave them as they are and spend the money on something that matters

From disgruntled voter! ?
