Comment text:

Related subject: Dittons

Any split of Thames Ditton and Long Ditton lead to more costly expenditure, upheaval and wasted administration to fix a problem that does not exist in the Dittons. Does not achieve the aims and objectives of the boundary commission. We share scout groups, collaboration on key green belt impacts and use thereof, one councillor, use of green belt facilities, no definable border, dittons fair, pubs etc etc. Do not support a division.
