Related subject: The Dittons ward change

I disagree with the new boundary changes to the electoral wards of the current Dittons. I have lived at my current address for over 8 years. My doctors surgery, medical centre, library, local shops/pubs/restaurants which I go to are in all in Thames Ditton I feel the Dittons are inseparable as a community and share many common goals like protection of green belt land. There is no natural boundary between the Dittons and I feel very joined as a community with Long Ditton and Thames Ditton. My postcode is also a Thames Ditton postcode. Please reconsider your proposals and the effect it will have on our unique local community.
