Related subject: Oxshott

I fundamentally reject the recommendations of LGBCE for the way in which it proposes to treat Oxshott. As a community, Oxshott has a population of about 5,000+ people. It is a settlement that is largely defined by surrounding Green Belt with its own High Street, its own medical centre, its own schools, and its own station. There can be no justification for dividing the community particularly by arbitrarily drawing a line down a main road. And there can be no justification for the obliteration of the name of Oxshott in the LGBCE recommendations.
