Comment text:

Sir/Madam,

I strongly object to the Boundary Commission's proposal to realign the electoral divisions of THAMES DITTON, Long Ditton and Weston Green. These areas have a long history of joint ventures and neighbourly cohesion. The proposed change is unnecessary, harmful and will undoubtedly be expensive to implement. THAMES DITTON and Weston Green enjoy a long history of symbiotic relationship which would be severely disrupted by the proposed change.

[REDACTED]
[REDACTED]

THAMES DITTON
