To whom it my concern

I was troubled to hear of the current proposal to split the Thames Ditton and Weston Green divisions. The two areas have been inextricably linked throughout history and when the first local council was established in 1895 (the Esher & District Urban District Council) we became part of the same Division, which has continued to this day.

The Thames Ditton & Weston Green Residents' Association, is the second oldest in the country and has been instrumental in maintaining our strong and cohesive community. It has an active membership and holds regular events including the annual Secret Gardens and most recently the excellent "Nature & Climate Festival", which is in its second year and very well supported. Weston Green residents feel part of Thames Ditton, it's our community where we use and support the local theatre, shops, schools and library. Please kindly ensure that my objection to the proposal is noted.

Kind regards
