Related subject: Elmbridge, proposed change to the boundaries of the Dittons

I disagree with the proposed change of the boundaries. The Ditton's (Thames Ditton and long ditton are very much aligned and should not be changed. The communities have worked hard together to secure the village green at stokes field. It is unfair that then the boundary lines are changed. The community has been in place for many years. I think the administration to change it is an unnecessary cost when we have so many other issues that need dealing with.
