## Personal Details:

**Name:** Mrs Jo Adams  
**Email:** townclerk@eveshamtowncouncil.gov.uk  
**Postcode:** WR11 4BY  
**Organisation Name:** Evesham Town Council (Representative of parish/town council)

## Comment text:

The council strongly feels that any change in boundaries must retain the urban character of the town centre.

Evesham South and Evesham North-West are predominantly urban in character. The Town Council does not wish for these urban areas of Evesham to be governed by a rural division.

The Town Council wishes that the outcome focuses more on the actual logical needs of the community without focussing on numbers alone which, in an area like Evesham are bound to change regularly due to rapid development.
