Dear Boundary Commission,

Please find a petition on behalf of Silksworth Residents Association on behalf of the residents of Silksworth who are against your proposal to put several streets from Silksworth Ward into Doxford Ward. The streets south of Silksworth Terrace include all the original streets of Silksworth that are named after Lord Londonderry's Children who was the founder of Silksworth Colliery, for these houses to not be within the electoral ward of Silksworth would be a travesty and would include of local doctors Silksworth Medical Group, Silksworth C&E Church and indeed half of Silksworth Tce no longer been in Silksworth. We ask the commission to include the following streets into a new Ward to be named Silksworth and Farringdon.

We have also proposed some minor amendments to a small number of streets already in the Doxford Ward that should have always been within the Silksworth ward by following a natural boundary.

Cambridge Road, Surrey Avenue, Pembroke Avenue, Quarry Street, Quarry Road, Orr Avenue, Davison Avenue, Norman Avenue, Park Avenue, Emmerson Terrace West, Byrne Terrace, West, Hill Brow, Londonderry Terrace, Londonderry Street, Tom Urwin House, Hill Street, Maria Street, Robert Street, Lord Street, Aline Street, Fairways, Tunstall Village Road, Cherrywood Gardens, Shoreswood Drive, Redwood Grove and Bracknell Close.

Please find attached the hard copy of the petition, the electronic petition and the comments made via the electronic petition.

The link to view the petition is at www.silksworth.org
