Comment text:

Dear Sir/Madam

On behalf of the Barnes Residents Association of which I am Chairman, I strongly endorse the Conservative proposals in relation to the new Tunstall and Humbledon / Barnes and Thornhill boundary. It is not appropriate to split Barnes Park in two, between two wards, nor is it appropriate to have Ettrick Grove residents in two separate wards. As a resident of the area impacted, I have no problem being in Barnes and Thornhill rather than Tunstall and Humbledon (even though, strictly speaking, my house is in Humbledon) as my property backs onto Barnes Park. The Conservative proposals make sense and, if implemented, I would support both the Tunstall and Humbledon and Barnes and Thornhill Ward proposals
