The current boundary between Greenhill and Heron Wards runs along Greenhill Road East. This is an illogical placement of the boundary. The south side of the road can vote in Herne Ave whereas the north side of the road, Kingfisher court and the Bridely Way have to go all the way to Eddington to vote. it would make more sense for these areas to be in the Greenhill ward which would be achieved by moving the boundary to old Thanet Way A2990 from the roundabout to Kingfisher Ct.
