Related subject: High Ford, Hillcrag and Highfield Park

I am against any proposals to merge High Ford, Hillcrag and Highfield Park with the south hylton areas. These areas share recreation spaces as in blackie park, hylton road playing fields, lambton street youth centre and ford football hub. They are all part of a local community which should stay as one ward. I have lived here over 30 years and would like it to stay the way it is now and not merger.

Thanking you
