Dear Boundary Commission,

As a resident of [REDACTED] I would like to object to the proposed boundary changes that would have us be part of Southwick Ward. We bought this house as a new build 35 plus years ago, moving from [REDACTED] Fulwell my children were educated at the now Monkwearmouth Academy, we shop and socialise in the Sea Road area and our doctors and dentist are based in this area. In the early days living here we were often wrongly thought of as Southwick, which resulted in large increases to home and motor insurances and in some cases refusal because of the bad reputation of the Southwick area, if the boundary changes we will go through this again so once again I would like to register my objection to these changes.
