Comment text:

Dear Boundary Commission,

I would like to say how disappointed I am at hearing the ward boundaries for the Fulwell ward are due to change.

I live in [REDACTED] Fulwell and have done so for 23 years. The streets between Newcastle road and the railway line are an integral part of Fulwell and me and my neighbours all share the communal facilities in sea road shops, Fulwell infant and junior school and monkwearmouth academy school. We also shop at the independent retailers on dovedale road. Me and my husband drink in the pubs along sea road. We don't use amenities in the Thompson park side of Newcastle road nor in southwick itself.

I do believe that the boundary line should remain as it is and at Newcastle road not the railway line and would strongly object to the boundary ward changes!

Thank you [REDACTED]
