Comment text:

Hi

As a resident of the current Houghton part of the proposed Washington South Ward I fully support the Conservative proposal to rename the ward to 'Riverside'. This better reflects the fact that the ward is not exclusively Washington and removes the confusing compass point names. Riverside is what people call this area locally as reflected by, for example, Riverside Taxis, The River Bar, etc. I support the Conservatives' proposals in their entirety.

Kind regards

[REDACTED]
