Comment text:

My family have been born and bred in Silksworth for generations.

The current proposal to remove parts of Silksworth Ward to Doxford Ward would tear apart our historical and cultural fabric by splitting up Silksworth.

We would suggest that the following streets all remain in Silksworth Ward - Cambridge Rd, Surry Ave, Pembroke Ave, Quarry St, Orr Ave, Davison Ave, Norman Ave, Park Ave, Emmerson Tr, Byrne Tr West, Hill Brow, Londonderry St, Londonderry Rd, Hill St Maria St, Robert St, Lord St, Aline St, St Matthews View, Quarry Rd. We also suggest the Boundary Commission considers Cherrywood Gardens, Shoreswood Drive and Redwood Grove to be included.

We urge you to reconsider these proposals which decimate our community spirit and identity. We ask you instead to preserve the unity of Silksworth Ward, respecting its unique character and history for future generations.

We may be a small community but we are always there for each other, last year my aunty was diagnosed with terminal cancer, we organised a charity night where she shaved her head for St benedics hospice in ryhope. The silksworth community pulled together to plan this within 2 weeks, local shops all donated and bought raffles, we raised just under £6,000 NOW THAT IS COMMUNITY SPIRIT. Everyone in silksworth are part of a family tight nit community that always pull together for one of their own. I AM PROUD TO BE FROM SILKSWORTH DONT TAKE THIS AWAY FROM HUNDEREDS OF PEOPLE

THANKYOU PLEASE CONSIDER THIS ?
