Dear Sir/Madam

I am writing in relation to the ongoing review of Sunderland City Council.

I am in favour of the Commission's proposals in my area, which would link Moorside/East Moorside with the neighbouring areas either side of Doxford Park Way. I agree that Moorside should sit with the wider Doxford Park area, rather than with East Herrington or Farrington, which are distinct communities.

I would like to see the terraced streets south of the main road in Silksworth removed from the Doxford Ward and included with Farrington & Silksworth Ward. These houses are an integral part of Silksworth, and are completely different type of housing and community from the new-build estates of the wider Doxford/Moorside/Burdon areas.

I think the boundary between Doxford and Ryhope Wards should keep all of Tunstall Village in Ryhope Ward, together with Tunstall Bank Estate and Withernsea / Skipsea Drives which are split from the rest of Ryhope. I also think the boundary should run down the newly-built Rotary Road which would be a clear and identifiable boundary.

Kind regards
