Related subject: Ryhope Ward

I generally agree to the Ryhope proposals except for the removal of houses in the Holycarrside area M02. These residents have most in common with the people of Ryhope. They use Ryhope shops, healthcare and schools and are best represented by Ryhope councilors. I realise you want to balance the electoral numbers and I would propose that you leave the residents of D05 in the Doxford ward as this is no change for them.
