Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

I am writing to oppose the proposal of merging Hastings Hill and Grindon with Pennywell and South Hylton. Hastings Hill, Grindon, Springwell and Thorney Close are already merged by houses, access roads, footpaths and bus routes. The 4 estates have 4 solid boundaries , to the north a busy Chester Road (A183), to the East Springwell Road (B1404), to the south Durham Road (A690) and the A19 to the west, centrally located is Sandhill View Academy and the Barnes Park extension recreational area which is shared by residents of all 4 estates along with other community facilities. Residents can move freely between these estates without having to negotiate heavy traffic and I believe the group of 4 should remain together in the same boundary set up [REDACTED] resident for 37 years
