Dear Sir/Madam,

I am contacting you about your proposals for the Roker, Fulwell and Seaburn areas.

I live in the Fulwell Ward and believe that the Commission's proposals north of the river could be further improved by making some small changes.

The boundary between Roker and Fulwell Wards should be moved north slightly - along Browne Road or Atkinson Road, rather than Side Cliffe Road.

As Side Cliffe Road borders; Roker Park, Roker URC Church etc it's not a realistic boundary between Roker and Fulwell. It would make more sense for it to be a street a few streets north.

I also believe that Newcastle Road is a very sensible and easy to understand boundary that should be respected to ensure consistency. This would keep the Coniston Avenue and Kirkstone Avenue areas in Fulwell Ward (they are very clearly part of Fulwell) instead of Southwick, which they do not share any affinity with.

Kind regards,

[REDACTED]
