To whom it may Concern

I am writing to you in connection with the poster I recieved from the Liberal Democrats - re - the changes to the boundry of Fulwell and Southwick. I have lived in [REDACTED] since 1969 and my address has always been Fulwell. We are certainly not "Classed as Southwick, Even our Windmill is "Fulwell Windmill" So how on earth can we live in Southwick !!! My family went to Fulwell infants and Fulwell Juniors - all my post is addressed to [REDACTED] Fulwell because we are part of Fulwell, and that should not be changed. The boundry needs to be Newcastle Road on the "Grange" side. If we go on this way, we'll end up with "Southwick Station" instead of "Seaburn Station" LEVE OUR BOUNDARY ALONE. Oh, and really our post code should be SR6 not SR5.
