I am writing to object to the proposed change to the Parish Council boundary of Uley and Owlpen to remove Owlpen into Wotton Parish Council. Owlpen is an extension of Uley and part of the village community. The Ewelme Benefice is Dursley, Uley and Owlpen with the Parish Church of St Giles in Uley being the Parish Church of Owlpen. Owlpen has no community or church links with Wotton. I can see no reason to make this boundary change and it seems a very ill thought out proposal. The closing date for objections is 11th December 2023 and so I hope this objection is considered as the website does not state a time on 11th when objections can no longer be raised.
